

scott@romeostore.com **CRAZY ROMEOS HOT PEPPER**

your application

So when you live in Johannesburg, or in Berlin\*\* can join in the **CRAZY ROMEOS**.

Nearly every day photographers, filmmakers a.s.o. ask me for shape guys. Today I am a photographer by myself and sometimes I do nudework in a movie. So I am also in the position looking for hot boys for the camera.

So when you are looking shape and like nude media work you send in five hot nude pics of you, without any cover (!) and I place a Crazy Romeo logo on it and put it on the webspace. This service is free of charge for you.

When a filmmaker or other want you for a work he contact me and I send the message to you.

Everything what you do after that is just your thing. Again, it is free of charge.

When you like we can put your personal email on the webspace, too.
